

WEEK 7

'Circus & Magic' Week

Join us for an unforgettable Circus and Magic Week at BISI Summer Camp, where imagination and excitement come alive!

🎪✨ Our campers will embark on a journey filled with enchanting activities designed to inspire creativity, build confidence, and, most importantly, have a blast. Here's a sneak peek into the magical adventures awaiting:

Magic and Illusion Workshops

- **Magic Trick Workshops:** Children will master captivating tricks using everyday items like cards, rubber bands, and cups, enhancing their dexterity and showmanship. 🎩🪄
- **Create Your Own Magic Wand and Hat:** Campers will design personalized wands and hats, culminating in a whimsical fashion show to showcase their enchanting creations. 🎩✨

Grand Finale - Talent Show - Magic Show

- **Invisible Ink Messages:** Using baking soda or lemon juice, children will craft secret messages revealed through heat, introducing them to the wonders of simple chemical reactions. ✉

- **Mystery Box Challenges:** This sensory activity invites campers to guess hidden objects using only their sense of touch, sharpening their tactile perception and critical thinking skills. 📦 🙌
- **Color-Changing Lemonade Potion:** Campers will create a magical beverage using butterfly pea flower tea and lemonade, witnessing a vibrant color transformation that blends science with refreshment. 🥤 🍹

Circus Skills and Performing Arts

- **Clowning Around:** Campers will explore clown face painting, experiment with silly walks, and engage in improvisational games, allowing them to develop unique clown personas complete with imaginative backstories. 🤡 🎨
- **Plate Spinning and Ribbon Dancing:** These activities will improve balance and coordination while introducing the grace and skill of circus arts. 🍷 🎀
- **DIY Circus Posters:** Children will design their own circus

posters, encouraging creativity and an appreciation for promotional art. 🖼️ 🖋️

- **Group Art Project – Design a Circus Tent:** Collaboratively, campers will create a large-scale circus tent artwork, fostering teamwork and artistic expression. 🎪 🖍️

STEM and Creative Exploration

- **Magic Potion Lab:** In this STEM-focused activity, campers will concoct mixtures that bubble, fizz, and change color, sparking curiosity about basic chemical reactions. 🧪 🥤
- **Circus Obstacle Course:** A fun and challenging course

designed to mimic circus performer training, promoting physical fitness and problem-solving skills. 🧙‍♂️🏃‍♂️

- **Imaginary Magical Animals:** Children will draw their own magical creatures and, using the RakugakiAR app, bring their illustrations to life in augmented reality, blending art with

technology. 🧙‍♂️📱

- **Glow-in-the-Dark Tie-Dye Creations:** Campers will design their own glow-in-the-dark tie-dye apparel using neon Sharpies and rubbing alcohol, resulting in unique, luminous clothing 🧕💡

Special Theme Days and Activities

- **Backwards Day:** A day where everything is topsy-turvy—clothes worn backward, roles reversed between counselors and campers—encouraging adaptability and fun. 🔄🧕
- **Glow-in-the-Dark Extravaganza:** An event featuring glow-in-the-dark face paint and activities, adding a luminous twist to the camp experience. 🌌💡

Grand Finale - Talent Show - Magic show

The week will culminate in a spectacular talent show where campers can showcase the skills and talents they've developed, providing a platform for self-expression and confidence-building. 🎤💡

At BISI Summer Camp's Circus and Magic Week, every child is a star in the making. We can't wait to create magical memories together! ✨🌈
