

About the bus service

BISI offers a safe and reliable bus service through AZ-AL.

AZ-AL is one of the three top bus companies in Istanbul servicing over 20 different schools in as many years. They have a brand new fleet of buses, their own drivers and English speaking Hostesses. The buses are fitted with a GPS system that also monitors speed and all buses now have security cameras in place. AZ-AL conducts frequent surveys with parents and schools alike, to ensure that all procedures are in order. With this they also undertake to have a representative based in both the City and Zekeriyaoy Campuses, on a permanent basis.

How can you register for the bus service?

You can pre-register through this [link](#) or you can copy-paste the link:

If the quota is met, the bus company will contact you with payment details and times for pick-up and drop-off.

If you have further questions, you can contact Gülşah Alhamss, Az-Al Tourism BISI student affairs and accounting officer, at gulsah.bas@az-altur.com.tr.

Where does the bus service operate?

The bus service operates *only* on the European side.

How much is the cost?

The cost is calculated based on the distance between your home to summer camp, and the number of weeks you will be needing this service.
